SUBJECT.

Soliciting sanction to the payment of Rs 100/- towards the Masjid newly constructed at Nagamangala

From

The Deputy Commissioner, Mysore District.

Letter No. 240, Dated 24th October 1904

On the 12th December 1891, the Mahomedan residents of Nagamangala petitioned to the Dewan at Camp Nagamangala. applying for permission to build a masjid at the place five days thereafter, the Sub Division Officer Mr Mahomed Ali inspected the site on which the masjid was proposed to be constructed and directed the Amildar of the Nagamangala Taluk to obtain a mahazar from the ~~members of the~~ Hindu community residing at the place through the Municipal members, stating that

as deposed before him
~~of~~ they had ~~any~~ no objection to the grant of the Mussalman's prayer The latter Officer accordingly issued notices to them to appear before him, but only three or four of them did so, but they too went away saying that they would communicate their opinion the next day and never came back. The Sub Division Officer thereupon directed the Amildar to issue orders sanctioning the construction of the Masjid after obtaining a Mutchalika from the influential Mussalmans binding them never to raise objection to any Hindu processions parading with music in front of the Masjid. After some correspondence, such a mutchalika (*) was obtained, drawn up in the proper manner under date the 3rd June 1892, and the same was submitted by the Sub Division Officer Meanwhile, a Mahazar was received from the Hindu residents of Nagamangala to the address of the Deputy Commissioner, and the latter Officer Mr A Rangaswami Iyengar wrote to the Sub Division Officer on the 9th August 1892, that it was not advisable to grant

permission to construct the Masjid on the site in question as it would give rise to unnecessary misunderstanding between the Hindus and the Mahomedans, and that it was preferrable to assign a separate unobjectionable site for the purpose. No orders were, however, issued by the Sub Division Officer to put a stop to the further progress of the building. The matter was lost sight of until September 1899, when Rao Bahadur Dr C. Madiah (then Deputy Commissioner) inspected the Masjid and observed that it was highly irregular on the part of the Sub Division Officer to have allowed the Masjid to be completed in the face of the Deputy Commissioner's order, but considering that the Mussalmans would be put to considerable loss if at that state of the building it were ordered to be pulled down, it would be enough if as desired by the members of the Municipal

The building was a spacious one, and
Rs 5,500 were said to have been spent upon it.

Dt 2/3/05 with Rao Bahr Mr. Madhava's orders,
only one doorway (towards the east)
has been opened in the Masjid.

The grant of Rs 100/-
promised by Rao Bahr Mr. Srinivasa Charlu
may, it is urged, be sanctioned from
the State grant of the current
official year. The amount, though
small, is asked for by the Mahomedan
community to show that the Govt
have recognized their institution.

As regards the monthly
allowance asked for for the main-
-tenance of the institution,
I regret to say that there are

No building can be erected on the Corporation land within 33 ft. from the centre of the road. The Municipality has therefore a right to demand the removal of the portion of the building which encroaches on the road. This is now a religious question and Government should not interfere in any way in the matter.

Sir,

Adverting to your Rubakari No. 778 76-1 dated 30th April 1900 enquiring whether the permission of the District Magistrate had been obtained for the construction of the Mosque at Nagamangala, I have the honor to State that in order No 358 dated 27th August 5th Sept. 1899 that Mr. Rao Bahadur C. Madiah the then Deputy Commissioner after inspecting the Masjid had instructed the Amildar to get all the entrances in the several directions closed with the exception of that in the East as it would cost the Mahomedans very heavily should the building be pulled down since they had not previously obtained the Sanction of the District Magistrate. This amounts to tacitly permitting the Mahomedans to have the building there by the

Magistrate.

The Divisional Officer recommends that the building grant of Rupees 100/- promised in your Roobkari No. 514 dated 14th December 1896 may be granted.

I request that Government may be pleased to sanction the same.

Correspondence ending with letter No. 140, dated 24th October 1904, from the Deputy Commissioner, Mysore District, reporting on the construction of a new Masjid at Nagamangala.

No. 4511-19, DATED BANGALORE, 1ST JUNE 1905.

ORDER THEREON.—In December 1891 the Mahomedan residents of Nagamangala town having applied for permission to build a new Masjid in the Fort, the then Sub-Division Officer of French Rocks, the late Mr. K. Mahomed Ali, inspected the site and issued orders to the Amildar to permit the construction of the new Masjid after obtaining a mutchalika from the influential Musalmans, binding themselves never to raise any objection to Hindu processions parading with music in front of the Masjid. A mutchalika was accordingly obtained from them on the 3rd June 1892 and they were permitted by the Amildar to proceed with the construction. Immediately after the permission was so granted, the Hindu residents of Nagamangala sent up a mahazar to the Deputy Commissioner, protesting against the construction, and thereupon that officer (Mr. A. Rangasamiengar) wrote to the Sub-Division Officer on the 9th August 1892 that it was not advisable to grant permission to construct the Masjid on the site in question, as it would give rise to unnecessary misunderstanding between the Hindus and the Mahomedans, and that it was preferable to assign a separate unobjectionable site for the purpose. But this order was not given effect to by the Sub-Division Officer, and the Musalmans went on with the construction of the building. In 1895, when the late Muzrai Superintendent, Rai Bahadur Mr. A. Sreenivasacharlu, visited Nagamangala, he promised to give a contribution of Rs. 100 from Government for the Masjid, after the construction was completed. In 1899, the then Deputy Commissioner, Rao Bahadur Mr. C. Madiah, inspected the Masjid and found that his predecessor's orders forbidding the construction of the Masjid on the site under dispute, had not been given effect to by the Sub-Division Officer, Mr. Mahomed Ali, and that it was then too late to take any action in this respect, as the building had been almost completed. With a view, however, to prevent the occurrence of a possible breach of the peace on any future occasion, he directed that *all* the entrances, except the eastern one, should be closed, and this has accordingly been done. The Musalmans now pray for the payment of the promised contribution of Rs. 100 from Government and for some monthly allowance for the up-keep of the Institution. The Deputy Commissioner supports the prayer, so far as the contribution is concerned.

2. The Government regret to find that, in spite of the Deputy Commissioner's orders in 1892 not to give permission to construct the Masjid on the site under dispute, the then Sub-Division Officer, Mr. K. Mahomed Ali, since deceased, did not take prompt action, and the building was consequently finished contrary to orders. Rao Bahadur Mr. C. Madiah, when Deputy Commissioner, was obliged to act under a sort of compulsion not to subject the builders to loss, and to minimise the chances of quarrel. Under these circumstances the Government are of opinion that the Institution does not deserve any concession at the hands of Government, but, as the former Muzrai Superintendent had promised a contribution of Rs. 100 to the Masjid, the Government are pleased to sanction the payment of that amount from the State Grant of the ensuing official year.

3. The Deputy Commissioner's attention is drawn to the remarks contained in Government Proceedings No. 914—Muz. F. 58-92 dated 6th June 1893, relative to the construction of a new Masjid at Channapatna, and he is requested to issue strict orders that only one doorway, towards the east, should always be in existence in the Masjid at Nagamangala, and that all other entrances should be kept completely closed and not opened at any time.

Muzrai, dated 1st June 1905.

4. Under the terms of the late Chief Commissioner's Circular No. 2528-72, dated 22nd August 1871, the Mahomedan community at Nagamangala cannot claim the privilege of stoppage of music paraded by other communities in front of the Masjid in question, and they have already executed a mutchalika (in 1892) binding themselves in that behalf. To prevent possible disputes in future years, the Musalmans of Nagamangala should, before the contribution amount now sanctioned is paid to them, be called upon to fix a tablet in a conspicuous place in the Masjid, showing the year of its construction.

5. The action taken should be reported for the information of the Government.

6. As regards the monthly allowance asked for for the maintenance of the Institution, the Government regret that no such grant is possible. The petitioners may be informed by the Deputy Commissioner accordingly.
